Recipe Ideas

I love a good egg roll and they are so easy to make (and you can freeze them and fry them when you want, so a party is anytime!) Get your wonton wrappers and let your imagination soar - put pepperoni, mozzarella & tomato for a pizza version, thin sliced steak and cheddar cheese and fried onions and you have a Philly Cheesesteak. Be creative and serve with dipping sauces that go with that particular egg roll.

Come in and bring your best ideas for a holiday party and we'll hand them out to all our customers! You know how I love a good party!
